**MINUTE ORDER**

---

Judge John L. Kane **ORDERS**

Plaintiffs' unopposed Motion to Amend Stipulated Discovery Order (Doc. 63) – establishing amended time tables to submit responses to interrogatories, “subsequent rounds of discovery” and depositions within the already established discovery cut-off date – is **GRANTED**. Counsel are invited to review the provisions of D.C.COLO.LCiv.R 6.1A to see whether, in the future, the same relief may be achieved through the filing of a stipulation, rather than a motion which requires affirmative Court action to effect. If relief is available under the rules on through the filing of a motion, that motion should be accompanied by a proposed order submitted in editable form to [Kane\\_Chambers@cod.uscourts.gov](mailto:Kane_Chambers@cod.uscourts.gov).
