2 A. That information comes back to us through the
3 Secretary of State's Office and it would not dispositive
4 of us being able to take it because we wouldn't have the
5 birth certificate. We wouldn't have -- trying to think
6 of any of those things that we can take, but I'm not
7 aware of anything other than that Social Security match
8 that is an assistance, but it's not the whole thing.

9 Q. So is every voter registration form that is
10 submitted to Maricopa County verified through the Social
11 Security Administration?

12 A. Every voter registration form that we get
13 goes through MVD it is my understanding from the
14 Secretary of State's Office and it comes out through the
15 Social Security Administration.

16 Q. So the Secretary of State's Office submits
17 the information to the Motor Vehicle Division?

18 A. Right. And as a part of that it's then
19 tested through MVD.

20 Q. And through Social Security?

21 A. I'm sorry. Through Social Security.

22 Q. Do you make the federal mail voter
23 registration form available in your office?

24 A. We don't. It's on-line and if somebody -- I
25 never had anybody ask us for one, but we have them

1 on-line if somebody came in.

2 Q. Do voter registration organizations ask you
3 for registration forms?

4 A. Yes.

5 Q. Do they always specify Arizona registration
6 forms?

7 A. No. It's what we provide them because it
8 has -- we go to the extra expense of having individual
9 bar codes put on them and it makes our processing much
10 more accurate and much faster. So that's the only ones
11 that we have to give them.

12 Q. Do you believe that United States citizens
13 living in Maricopa County who are eligible to register
14 to vote have been unable to do so since Proposition
15 200's provisions and requirements went into effect
16 because they lack the necessary documents?

17 A. Yes.

18 Q. Do you have any estimate of how many people
19 you believe have been unable to register?

20 A. No.

21 I take that from one case where I had a woman
22 come in that had just moved from back east. She had not
23 yet had her information delivered in all the packed, you
24 know, stuff you have packed and hadn't moved it all yet.
25 She didn't have her birth certificate. She was probably
